DESIGN

NAME

DATE

lower third • safe margins • title card

Lower third

Background bar + name + title,
positioned inside safe margins.

Safe margins

Keep text/action clear of the
edges so it survives a crop or
reframe.

Title card

Same visual language as the
lower third, full-frame instead
of an overlay.

If a viewer can't finish reading the name before it
animates off, the lower third failed at its one job.
