NAME _____

DATE _____

A-roll • B-roll • filler words • lower third • transcript • VO

TERM	MEANING
A-roll	Interviews / stand-ups, the primary footage
B-roll	Supporting footage layered over VO or A-roll audio
Transcript	Auto-generated text of the audio, used to find cuts fast
Lower third	Graphic identifying an interview subject's name/title

Cutting every single filler word can sound unnaturally clipped. Leave natural pauses that help the story breathe.
