NAME

DATE

1. What strong identifiers (age, attire, cultural connections, mood/expression) do you want your portrait to communicate?

2. Which primitive shapes from 3.2 will build your major features (face, hair, features, background)? List at least 4:

3. What color scheme from 3.1 will you use (complementary / analogous / monochromatic), and what mood should it create?

4. Sketch a rough thumbnail of your composition below, noting which shapes sit in front of which (their stacking order):
