

Artboard Sampler — Planning Sheet

FDD S | 2 · DIGITAL
COMMUNICATIONS

NAME

DATE

Before you open Illustrator, sketch a quick plan for each of your 4 artboards below. Each one should explore a different way of composing basic shapes — vary the arrangement, not just the colors.

Artboard 1

Artboard 2

Artboard 3

Artboard 4

For each artboard, note which **design aid** (ruler guide, grid, or Smart Guide) you'll use to line things up precisely.
