

engineer • photojournalist • producer • reporter • story angle

1. An ENG (Electronic News Gathering) crew's _____ gathers information, conducts interviews, and presents the story on camera.
2. The _____ operates the camera and often the audio and lighting equipment.
3. The _____ manages the overall story and coordinates the assignment — scheduling and logistics.
4. The _____ maintains and troubleshoots equipment, especially transmission gear.
5. Before shooting, a crew defines its _____ — the specific take on the story, not just the general topic.

Discuss: Your group has 3 people but the plan calls for 4 ENG roles. What do you do?
