

ADD 4.3 | Guided Notes: Storyboard & Shot List

NAME _____

public domain • royalty-free music • shot list • storyboard • synchronization rights

1. A _____ is a sequence of sketches previsualizing a shot's framing and angle before filming.
2. A _____ is a written, ordered list of every shot a production needs, tied to specific timing.
3. _____ is licensed for a one-time fee (or free) and can be used repeatedly without ongoing payments.
4. Work no longer protected by copyright, free to use without permission, is _____.
5. Legal permission to pair someone else's music with your video is called _____ — required any time you use music you don't own.

Discuss: You find the perfect song for your video essay, but it's not royalty-free or public domain. What are your options?
