

documentary • music video • narrative short • news package • PSA • video essay

1. A _____ makes its argument through sequencing and sound alone — little to no narration.
2. A _____ leans on interviews and voiceover to guide the viewer through real events.
3. A _____ is reporter-led, with a clear angle and sound bites (the Unit 3 form).
4. A _____ is performance- or concept-driven, cut to a track.
5. A _____ is built around a cause, meant to change a viewer's belief or behavior.
6. A _____ tells a fictional story through scripted scenes and dialogue (the Unit 7 form).

Discuss: A clip has no narration but IS scripted with actors and dialogue. Which style is it, and how do you know?
